The Daily Decision that Changes Everything Simon and Schuster

Have you been thwarted in your quest to find your life's passion? Has something or someone (maybe even yourself) blocked you from discovering: who you really are? your gift? what you seek? Then you need *The Holy Hand Grenade*. Napoleon Hill said, "Desire is the starting point of all achievement." Solomon said, "Hope deferred makes the heart grow sick, but desire fulfilled is a tree of life." Yet many people go through life with no real hope, desire, or passion and have hearts that are sick. It doesn't have to be that way. Jesus said, "I came that you may have life, and have it abundantly." Don't you want an abundant life? Many books have tackled different aspects of who you are, what your gift is, and what you seek, but none has really covered them completely enough to help you ... until now! *The Holy Hand Grenade* is not just good information, but real answers and applications for what you really want, REALLY! If desire, passion, and purpose are what you need, then *The Holy Hand Grenade* belongs in your arsenal.

"Warning: Your career might be in danger of going off the rails. You probably have blind spots that are leaving you closer to the edge than you realize. Fortunately, Carter Cast has the solution. In this smart, engaging book he shows you how to avoid career derailment by becoming more self-aware, more agile, and more effective. This is the book you wish you had twenty years ago, which is why you should read it now." -- Daniel H. Pink, New York Times bestselling author of *Drive* and *To Sell Is Human The Right - and Wrong -- Stuff* is a candid, unvarnished guide to the bumpy road to success. The shocking truth is that 98 percent of us have at least one career-derailment risk factor, and half to two-thirds actually go off the rails. And the reason why people get fired, demoted, or plateau is because they let the wrong stuff act out, not because they lack talent, energy, experience, or credentials. Carter Cast himself had all the right stuff for a brilliant career, when he was called into his boss's office and berated for being obstinate, resistant, and insubordinate. That defining moment led to a years-long effort to understand why he came so close to getting fired, and what it takes to build a successful career. His

wide range of experiences as a rising, falling, and then rising star again at PepsiCo, an entrepreneur, the CEO of Walmart.com, and now a professor and venture capitalist enables him to identify the five archetypes found in every workplace. You'll recognize people you work with (maybe even yourself) in Captain Fantastic, the Solo Flyer, Version 1.0, the One-Trick Pony, and the Whirling Dervish, and, thanks to Cast's insights, they won't be able to trip up your future.

The Well Life Simon and Schuster

The Groundbreaking Strengths Assessment from the Leader of the Strengths Revolution In the years since the publication of *First, Break All the Rules* and *Now, Discover Your Strengths*, millions have come to the simple but powerful realization that to get the most out of people, you must build on their strengths. And yet, as Marcus Buckingham astutely points out, though the strengths-based approach is now conventional wisdom, the tools and systems inside organizations—performance appraisals, training programs, and succession planning systems—remain stubbornly remedial and exclusively focused on measuring skills, finding gaps, and attempting to plug them. It's a crisis for individuals and organizations, with management ideas and everyday practice utterly out of sync. That's about to change. *StandOut 2.0* is a revolutionary book and tool that enables you to identify your strengths, and those of your team, and act on them. The original edition of *StandOut* provided top-notch insights from one of the world's foremost authorities on strengths, as well as access to a powerful, cutting-edge online assessment tool. *StandOut 2.0* also
