The second novel set in the Old Republic era and based on the massively multiplayer online game Star Wars®: The Old Republic™ ramps up the action and brings readers face-to-face for the first time with a Sith warrior to rival the most sinister of the Order's Dark Lords—Darth Malgus, the mysterious, masked Sith of the wildly popular "Deceived" and "Hope" game trailers. Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace would transform him into something far more heinous—something Malgus would never want to be, but cannot stop, any more than he can stop the rogue Jedi fast approaching. Her name is Aryn Leneer—and the lone Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. And now she's going to find out what happened to him, even if it means breaking every rule in the book. NATIONAL BESTSELLER • A mysterious former Sith wanders the galaxy in this stunning Star Wars tale, an original novel inspired by the world of The Duel from the Star Wars Visions animated anthology. The Jedi are the most loyal servants of the Empire. Two decades ago, Jedi clans clashed in service to feuding lords. Sickened by this endless cycle, a sect of Jedi rebelled, seeking to control their own destiny and claim power in service of no master. They called themselves Sith. The Sith rebellion failed, succumbing to infighting and betrayal, and the once rival lords unified to create an Empire. . . . but even an Empire at peace is not free from violence. Far on the edge of the Outer Rim, one former Sith wanders, accompanied only by a faithful droid and the ghost of a less civilized age. He carries a lightsaber, but claims lineage to no Jedi clan, and pledges allegiance to no lord. Little is known about him, including his name, for he never speaks of his past, nor his regrets. His history is as guarded as the red blade of destruction

he carries sheathed at his side. As the galaxy's perpetual cycle of violence continues to interrupt his self-imposed exile, and he is forced to duel an enigmatic bandit claiming the title of Sith, it becomes clear that no amount of wandering will ever let him outpace the specters of his former life.
