The Uniform System of Accounts for the Lodging Industry establishes standardized formats and account classifications to guide individuals in the preparation and presentation of financial statements for lodging operations. The publication is a joint effort of the Hotel Association of New York City and the Financial Management Committee of the American Hotel & Lodging Association (AH&LA), with funding from Hospitality Financial & Technology Professionals (HFTP). Purchasers of both the print and digital versions will receive a keycode that provides access to downloadable Excel templates of all financial statements and supporting schedules, as well as a searchable Revenue and Expense Guide. Readers will also be able to receive updates to the book and ask questions on topics related to the book's content.

Uniform System of Accounts for Municipal Lighting Plants Prescribed by the Department of Public Utilities of Massachusetts Educational Institute

Excerpt from *Uniform System of Accounts for Second-Class Cities: The Form of the Budget, the Procedure to Be Followed in Budget Making, and the Classification of Appropriations* The General Municipal Law, section 36, authorizes the State Comptroller to formulate and prescribe a system of keeping ao counts, which system shall be uniform for cities of the second class in this State. In accordance therewith, such a system has been formulated by this Department and fiscal officers of each such city have been furnished with a uniform system of keeping accu rate and proper records of receipts and. Expenditures by their respective offices. As a part of this uniform system, this Department has pre scribed a form for the annual budget to be adopted by such cities and for their use in the preparation of estimates of receipts and expenditures for the year 1913 and in the adoption of their final budgets for the same year by respective common councils.
